Twelve Men From Local Department Attend Special Police Training School

William P. Bolger, chief of the Daly City Police department, announces that twelve men from the local force are attending the Police Training School of the Peninsula Peace Officers' association at San Mateo. The school, inaugurated, Monday, September 25, by H. C. Van Pelt, assistant special agent in charge of the San Francisco, F. B. I. office, will continue through December 18 with weekly sessions, Mondays from 2 to 4 p. m. and from 7 to 9 p. m.

Attending the afternoon sessions are Officers Roland A. Petrocchi, Ed Heim, James Welsh, Roy Beecher, and Sergeant Ricco Benedetti. Evening classes are being attended by Chief Bolger, Officers Henry Sundermann jr., George Savage, August Benassini, Dean Wood, Edward Beecher, and George Hopman.

Bolger expressed the hope and expectation that all of the local men will attend at least 10 out of the 13 sessions and be eligible to receive diplomas for their work.

Chief Bolger pointed out that Nat Pieper, FBI head in San Francisco, had assisted in preparing the training course and in making available FBI lecturers and instructors for the school. The purpose of the training, according to Chief Bolger, is to further enable police officers to carry out their responsibilities in the law enforcement profession. The school affords an excellent opportunity to develop a greater knowledge of the fundamentals as well as to keep abreast of new developments.

Officers from police departments in the following cities are attending the classes: Daly City, Hillsborough, San Bruno, Burlingame, South San Francisco, and San Mateo.

Instruction will cover such matters as report writing and note taking, interviews and confessions, patrol duties, defensive tactics, national defense and internal security, raids, laws of arrest and extradition, FBI jurisdiction, laws of evidence, searches of places and persons, fingerprints, crime prevention, state and federal laws relative to juveniles, facilities and uses of the FBI Laboratory, and comparison of juvenile and criminal court procedures. Motion pictures will be exhibited to illustrate a lecture on

It's Not Too Late To Enroll At Jeff

First night enrollment figures at the Jefferson Union night school, Tuesday, September 26, proved disappointing to the staff as only about 50 adults signed up for participation in the many courses made available to the public by the school. Interest in crafts was insufficient and that course had to be dropped completely from the curriculum.

However, it's not too late to attend night school and Principal Stanford Hannah issued a cordial invitation for those who found it impossible to sign up, Tuesday evening, to do so tonight or at either the Tuesday or Thursday evening sessions, next week. Hours are 7 to 9 p. m. Instruction is offered in English for foreign-born residents, typing and stenography for beginners and advanced students, bookkeeping and machine calculation, youth leadership, and auto mechanics for continuation students.

The youth leadership course, which will get under way, Tuesday night, October 5, has been received with considerable interest by Girl and Boy Scout leaders of the community. It is being taught by Roy J. Gale, Miss Ella Redkey, and Adolph Hansen. It is open to the general public as well as those specifically enrolled in youth leadership programs.

Board Receives Report On Physical Exams

Of the 37 men sent to take pre-induction physical examinations, Saturday, September 23, Daly City Draft Board No. 103 has received notification of the acceptance of the following local men: Isabelo Lopez, Colma; Louis Bacigalupi, 28 Los Olivos avenue; Emanuele Damonte, Colma; Elwin Hyder, 138 Santa Cruz avenue. No word has been received yet as to which branches of the service the five men inducted from this board, September 25, were assigned. Their names and classifications will be listed, next week.

Mrs. Isabelle Flynn, chief clerk, announces the following requests from Selective Service for next month: October 23, three men for induction; October 31, 36 men to take pre-induction physical examinations.

Blood Bank Praises This Community

Since the inception of the San Mateo County Blood Bank two years ago, Daly City citizens to the total of two hundred have journeyed there to become blood donors, it was disclosed today by Mrs. P. J. Hanzlik of the blood bank staff.

Today she paid tribute to Daly City firemen and police officers and the Parent-Teachers association for their work in securing donors.

Among the two hundred Daly City contributors there are four residents who have each been donors for the seventh time, one who has given six times and three who have been donors three times. In addition 28 residents have each given twice.

Seven-time donors are Mrs. Nell Dorrance, Mrs. E. Eliasen, Mrs. Elmer R. Hanley and Mrs. Florence E. Hopman. A donor for the sixth time is Mrs. Irene Williams.

Five-time donors are William A. Banfield, Mrs. Albert Perada and A. L. Sundstrom.

"Daly City can indeed be proud of its all-important contribution of blood," said Mrs. Hanzlik.

However, she again stresses an appeal for renewed effort on the part of patriotic Daly City residents in keeping up the record established by them as donors. Pointing out that the casualty lists are increasing daily and that therefore more and more plasma is being asked for by Army and Navy hospitals, she urges that Daly City redouble its efforts and send more and more donors to the county blood bank at 25 South El Camino Real in San Mateo. Telephone San Mateo 3-1424.

Blood Bank staff members remind Daly City residents that the methods employed in taking blood are painless as well as harmless.

Bazaar Opens

Tomorrow night, September 29, the fifth annual bazaar given for the benefit of Our Lady of Perpetual Help church will open in the school yard, 60 Wellington avenue, with a large attendance of parishioners and their friends on hand to participate in initial festivities. The gala bazaar will continue Saturday afternoon and evening and Sunday afternoon and evening, September 30 and October 1. The public is invited to this big event.

There will be music and dancing and tasty refreshments, as well as entertainment, booths and games of all types. The big dinner, previously served the closing day of the bazaar, has been eliminated, this year, but those attending need not worry about lots of

NEWS OF OUR MEN and WOMEN IN UNIFORM

Seaman First Class **Robert Vaughn,** Daly City, has now served overseas with the Seabees for a year. A graduate of Jefferson Union high school, he is the son of Mr. and Mrs. Charles W. Vaughn, 115 Templeton avenue. He's in the Marshalls at present and will be 20 years old next month.

His brother, Marine Machine Gunner **Fred B. Vaughn,** reported wounded in action, June 16, at Saipan, has written his parents to assure them that he's feeling fine and is quite o. k. again. A veteran of 28 months overseas, Corporal Vaughn joined the Marine Corps, December 8, 1941.

Technician Fifth Grade **Peter W. Scalia,** Daly City soldier who served 34 months in the Southwest Pacific theater, has returned home under the Army's Troop Rotation program for a furlough before his reassignment to a station within the United States.

He will arrive shortly at his home, 258 Irvington street, Daly City, to visit his parents. T-5 Scalia served in the field artillery overseas. Announcement of his return was made by Fort Mason headquarters.

Donald W. McHugh, fireman first class, is now on submarine duty with the U. S. Navy. He is the son of Councilman and Mrs. Howard McHugh, 247 Oliver street. He took his boot camp training at Farragut, having enlisted January 27, 1944.

Mr. and Mrs. Henry W. Przyborowski, 298 Vista Grande avenue, have received good word from England. Private **Eldon Roy Przyborowski,** who was injured by a German tank shell, June 12, is recovering nicely and expects to be out of his cast soon. A graduate of Jefferson Union high school, he is a paratrooper. He has been overseas since November 1, 1943.

Przyborowski took his training at Camp Wolters, Fort Benning and Fort Bragg. He attended the University of California one year before entering the armed forces.

Corporal **Warren McHugh,** U. S. Marine Corps, spent two weeks in Daly City, recently, visiting his parents, Mr. and Mrs. John McHugh, 774 Bellevue avenue. He has now returned to Santa Ana and is awaiting further orders. Upon completion of training at El Centro and Santa Ana he received his gunner's wings.

While home, Corporal McHugh celebrated his twentieth birthday. He is a graduate of Jefferson Union high school.

Last week's list of Naval casualties included the name of **Stanley Norwood Cotterman,** whose mother, Mrs. Grace Chase Cotterman, has been residing at Mission Auto court, 6843 Mission street.

Cotterman, reported missing in action, is a pharmacist's mate, first class, U. S. Navy.

Staff Sergeant **Daniel L. Kinney,** 228 Flournoy street, a tail gunner with the Eighth AAF in Britain, has been awarded the Distinguished Flying Cross.

Corporal **Remo P. Boni,** Daly City, has now served in the Aleutians for more than a year. He is the brother of Mrs. Rena Beecher, 679 San Diego avenue.

From somewhere in Italy, Private **Nick Lettiere,** who is with a Military Police company, writes to register his best regards with all his home-town buddies in the armed forces. In the Army more than three years, Lettiere will soon have served 18 months overseas, where he's seen plenty of action.

"We were in Africa while Rommel was there and were behind him all the way up. We saw things that we don't want to remember

Daly City Workers Organize To Canvass Homes, Businesses For Contributions

Registration Closes At Midnight, Sept. 28

Tonight, September 28, at midnight registration for the November 7, 1944, election closes. Those who do not register by that deadline lose their opportunity to vote and they will have failed to perform a duty no American can afford to shirk. There were a number of registration deputies in both Colma and Daly City.

In addition to voting for national and state leaders and propositions, Daly City voters will indicate whether they prefer Dr. A. E O'Neill or Henry W. Edmonds for San Mateo county supervisor.

Council Concurs On Proposition 12

The Daly City Council, Monday night, September 25, unanimously passed a motion concurring in the resolution presented by the State Federation of Labor, repudiating Proposition No. 12 on the November 7 ballot. In making the motion that the Daly City council concur Councilman Edward J. Dennis pointed out that the State Chamber of Commerce, the San Francisco Chamber of Commerce, leading individuals, farm, veteran, church and civic groups were urging the defeat of Proposition No. 12 as detrimental to organized labor and the war effort. The motion was seconded by Councilman Howard McHugh.

The resolution opposing Proposition No. 12 was first read to the council at the September 11 meeting. It was sent by the San Mateo County A. F. of L. Political Education committee. After due deliberation the council took the motion of concurring with the resolution as a way of registering its decision that the ill-advised measure would produce industrial strife when there is need for unity of action and the fullest possible production of material for the armed forces.

At Monday night's session, presided over by Mayor A. J. Gaggero, a motion was made and passed unanimously to appoint Elwin J. Smith as janitor for the City of Daly City at $185 per month. McHugh made the motion and Councilman Eugene V. Lynch seconded it.

Under the reading of communications the council took up several matters. A request from the Daly City Fire Commissioners that the salary paid Chief Andrew P. Chesney be reappropriated to the operating expense of the fire department was referred to the fire committee for study and re-

Girl Scout Council Postpones Meeting

The October meeting of the Daly City-Colma Girl Scout Council has been postponed from Tuesday evening, October 3, to Monday evening, October 9. Mrs. Stella Jensen, commissioner, will be hostess to the council at her home in Colma. A number of important matters are to come before the session, which begins at 8 p. m.

At the business meeting of the Girl Scout leaders of the community, Monday night, September 25, at the home of Mrs. Ruth Rowley, 19 West Cavour street, officers for the year were selected. They are Mrs. Muriel Pabst, president; Mrs. Elsie Hesselein, recording secretary; Mrs. Ethel Saame, corresponding secretary; Mrs. Ethel Proschold, treasurer.

Attention was called to the class being given at Jefferson Union night school in youth leadership, music appreciation, games and folk dancing. All leaders and others interested in the Scout movement were urged to attend.

Comfort and cheer for war prisoners, entertainment for our fighting men through the U. S. O. camp shows, food for the starving children of Greece and China, aid for the needy at home—these are the things contributions to Daly City's 1944 War Chest, opening next week, will buy.

In addition, a portion of the collections will go toward the support of these important home-front agencies: Boy Scouts, Girl Scouts, Y. M. C. A., San Mateo County Preventorium, San Mateo County Blood Bank, San Mateo County Catholic Charities, Salvation Army.

Mrs. Clara E. Lane, chairman of the local drive which has a goal of $2,950, pointed out that those giving may designate if they wish their contributions used for any particular benefit on the long list of welfare groups aided by the drive.

Mrs. Lane and her division leaders are this week winding up organizational details for the drive which opens, October 2. In conjunction with the solicitations of the community a headquarters will be maintained in the Red Cross workroom in Theatre hall. Hours will be 10 a. m. to 4 p. m., Wednesdays and Fridays, and donations will be accepted there or literature supplied. Assisting in the canvass of Daly City stores and offices will be Mrs. Marce Trier, Mrs. Lydia Lorenzo, and Mrs. Horace Fellows.

Workers are still urgently needed to cover the community in the short time available to assure the total expected from this city by the San Mateo County War Chest. Anyone who can help, either in contacting business houses or in the house-to-house canvass of the residential areas is invited to call Mrs. Lane, RAndolph 4503, or her division leaders, Mrs. Mary Crane, RAndolph 6479; Mrs. Hazel Marsh, RAndolph 0690; Mrs. Cecelia Hale, DElaware 9415. Mrs. Crane is leader for Vista Grande tract, Mrs. Marsh for the southern section of the city, and Mrs. Hale for Crocker tract.

Supplies for the workers are on hand now and in addition posters are being distributed, this week, in the business district, calling attention to the War Chest.

The county as a whole has $215,000 to raise by public subscription without assistance from state allocations.

Other than the home-front agencies the following groups will benefit from the 1944 drive: U. S. O., United Seamen's Service, War Prisoners Aid, British War Relief society, Russian War Relief, United China Relief, French Relief fund, Queen Wilhelmina fund, Belgian War Relief society, Greek War Relief association, Norwegian relief, United Jugoslav Relief fund, Polish War Relief, United Czechoslovak Relief fund, Friends of Luxembourg, National America Denmark association, United States Committee for Care of European Children, Refugee Relief Trustees, American Relief for Italy.

Colma War Chest

Mrs. Alma Garibaldi, chairman, and Mrs. M. Pauline Brown, co-chairman, of the Colma district War Chest drive have about completed their plans for the coming campaign which opens, October 2. Colma has a quota of $2,150 to meet.

Assisting Mrs. Garibaldi and Mrs. Brown with details incidental to the effective organization of the territory have been Arthur Smith, Garden Village; Mattrup Jensen, superintendent of Olivet Memorial park in Colma incorporated; Father James Sorasio, Holy Angels church; Giovanni Migliore, and Mrs. Dorothy Pendergast, of the Jefferson Union high school faculty.

More workers are needed to solicit subscriptions and anyone de-

Grass Fires Keep Department Busy

At this time of year the Daly City Fire department apparently gets a steady diet of grass fires. The past few days saw five of these. Friday, September 22, an alarm from Box 615 called out Companies 1 and 6, Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Elmer Kennedy. The blaze, which occured at 2:25 p. m. was on School street near Werner avenue. On the same date at 6:20 p. m., Companies 1, 2, and 4 put out a grass fire which broke out in the vacant lot next to A. L. Stockton Lumber company at Mission and Wilson. Chesney, Bodien and Kennedy were in charge.

September 23, 2:43 p. m., found Chesney, Bodien, Kennedy, Companies 1 and 2 responding to an alarm from Box 32. They put out a grass fire at Miriam street and Westlake avenue. Sunday, September 24, Chesney, Kennedy, Companies 1, 2, and 6, called out by an alarm from Box 631, extinguished a grass fire at Moltke and Mission streets. Monday, September 25, at 2:50 p. m. there was a blaze at School street and Eighty-eighth avenue which brought Chesney, Bodien, Kennedy, Companies 1 and 6 to the spot. They soon had the grass fire out.

Fire broke out in the residence at 151 Wellington avenue, at 5:55 p. m., September 23. An alarm from Box 15 brought Companies 1, 2, and 4, as well as Chesney and Kennedy to the scene.

Chesney, Bodien, Kennedy, Companies 1, 4, and 6 fixed a gas leak in the home of J. V. Anderson, 56 Market street, Tuesday morning, September 26 at 8:37 a. m. A neighbor had noted escaping gas and called for aid before any damage resulted.

Apportionment Made

An apportionment of $1,105,234.44, to the cities and counties of California, representing vehicle license fee collections for the quarterly period ending June 30, was announced today by Gordon H. Garland, Director of Motor Vehicles.

Twenty per cent of the money—or $221,046.88—goes to the General Fund for retirement of highway bonds. Of the remainder, $442,093.78 goes to the cities of the state on a basis of 5,325,090 population and $442,093.78 goes to the counties on the basis of 6,907,387 population.

Vehicle license fees formerly were collected by the cities and counties as personal property taxes. Vehicle owners will pay the same license fees next year as this, despite the current upward trend in market values of used cars, because of a special legislative act sponsored by the Department of Motor Vehicles and signed by Governor Earl Warren.

San Mateo county received $7,154.39 of the total apportionment. Daly City was apportioned $799.08 on the basis of 9,625 population. Colma, with a population of 354, received $29.39.

Junior Red Cross Gets Large Order

It looks like another busy year for the Junior Red Cross—if the request which reached the desk of R. L. Crane jr. almost as soon as pupils had returned to their classes is indicative. From the San Mateo County chapter, American Red Cross, the letter explained that there was an immediate need for 24 ash stands and six bookwagons for the A. R. C. field director at the U. S. Naval Advance base, San Bruno, and for Hamilton field hospital, 15 ash stands, eight bookwagons, twelve double bookshelves, twelve single bookshelves, and fifty folding bed trays.

Patterns for the various projects were enclosed for use of the Junior Red Cross in the Jefferson School district, which has established a county-wide reputation for quantity and quality in articles made for hospitals and reception centers.

Crane revealed that the Junior Red Cross boys in the local schools have already turned out two hundred lapboards, this term.

Native Daughters At Servicemen's Club

El Carmelo Parlor No. 181, Native Daughters of the Golden West, are in charge at the Daly City Servicemen's club, 6201 Mission street, this week. They will hold a dance for the boys, Saturday night, September 30.

Plans for the week of October 1 were still tentative early this week. However, definite arrangements have been made for the weeks of October 8 and October 15. Crocker P. T. A. will be hostess group, starting, October 15, while members of Our Lady of Perpetual Help Mothers club will be in charge, beginning October 8.

Donations were recently made to the center by Mrs. Martha Wegner and Mrs. Dorothy Kramer.

An appeal is issued by the committee for a clock and ping pong balls for the club. These articles are needed at once and anyone who would care to provide them will have the gratitude of the group in charge and the boys who frequent the center.

TRIAL RUN SOON

Soy Bean, the Fourth, is scheduled to make its trial run, shortly, according to Boy Scout Troop No. 141. The boys and Scoutmaster Joseph Straughan have spent many weeks working on the truck and the troop hopes to be a "mobile" unit again.

The Scouts of 141 are still participating in the waste paper drive. Anyone having old newspapers or magazines may contact the troop by calling ELkridge 3335. Proceeds from the sale of the waste paper is used to defray expenses of the troop's activities program.

Both Troop and Cub Pack from No. 141 were well represented at the Saturday, September 23, opening of the J. C. Penny Boy Scout department.

Co-Workers Honor Wall With Party

Robert E. "Bob" Wall, 599 Evergreen avenue, was recently honored at a surprise party by his co-workers at the Marin-Dell Milk company, San Francisco. A gift of fishing and hunting equipment was presented to him.

Wall has resigned from the Marin-Dell company, having accepted a position as assistant manager of a wholesale milk company in Tuolumne county, California.

Mr. and Mrs. Wall and children plan to make their home in Sonora, California. During the past month the popular couple has been honored at many parties given by friends.

SEA SCOUTS

Sea Scout Ship No. 144, sponsored by the Daly City-Colma Lions club, has made a number of improvements at its meeting place 6266-68 Mission street. The boys have built new cruise quarters, officers' quarters, and a portable land ship. They meet every Friday evening at 7:30 p. m. The group is open for recruitment and any interested boy may attend one of the meetings to learn more about Sea Scouting.

At the recent annual regatta in Stockton, at which ships from all of the western states were represented, Ship No. 144 won first place in the life ring heaving contest. They brought back a fourth place in the sloop division. The eleven boys who enjoyed the cruise are quite proud of the banner which now hangs at ship's headquarters here. Joe Hansen of the U. S. Maritime Service accompanied the boys on the cruise and was responsible for the excellent meals about which they're still talking.

NEWSPAPER WEEK

The American press will have little time for taking bows during the observance of Newspaper Week from October 1 to 8. There is too much work to be done.

This work is not only the routine reporting of happenings the world over, but it is the fight to keep the flow of news from being cut off by overzealous censorship.

During war time some restrictions on news are unavoidable. The newspapers of the nation have willingly cooperated in withholding the publication of certain stories which might have jeopardized the national security.

In the past year, however, the tendency of government officials to throw a blanket of secrecy over various meetings and conferences on which the people should have some information, has been increasing. At Quebec, for example, restrictions on news were so severe that reporters could do little but talk about the weather, tell how the principals were dressed and speculate as to what was really being discussed behind the closed doors.

At Dumbarton Oaks the press was also stymied by the secretive arrangements which deprived the public of all but a skeleton of the proceedings.

A free people can maintain their freedom in fact as well as in name, only as they keep well informed. A free press is essential to keep them informed. And by a free press we mean not only the right to print all the news except that inconsistent with national safety in war time, but to have unrestricted access to the information which the public is entitled to know.

On the occasion of Newspaper Week 1944 the press of the nation re-dedicates itself to the job of keeping America the best informed nation in the world.

SAFETY'S TEN COMMANDMENTS

With California's hundreds of thousands of children once more making their daily trek schoolward, motorists should remember that the signs reading "Slow—Schools!" are to be heeded—diligently!

It should also be remembered by the person behind the wheel that youngsters, in spite of numerous warnings, often dash out into the street heedless of the taffic. At other times their childish impulses cause them to act indifferently about getting out of the way of oncoming cars.

However annoying this latter attitude may be to the driver, he should not assume that it is "up to the kids to get out of the way"—and keep his foot on the gas pedal. The driver, being more mature, must bear the greater share of responsibility for the safety of children on the streets.

But children can do much to protect themselves by following the Ten Commandments of Safety:

1. Start to school early enough so you won't have to rush. 2. Plan the safest trip to and from schol—take it every day. 3. Always cross streets at the crossing. 4. Never try to out-run an automobile when crossing a street. 5. Look in both directions before crossing and keep alert until the sidewalk is reached. 6. Obey the traffic officer or safety-patrol boy. 7. Don't dart out into the street from behind parked cars or hedges. 8. Don't linger or play in the streets; use playgrounds, vacant lots, and sidewalks. 9. Ride bicycles on the right side of streets and obey all traffic signs. 10. On highways, always walk on the left side of the road.

ALL OVER—BUT THE DYING

From almost every battle zone except the China front, the war news reports a succession of triumphs for Allied arms. Our enemies, no longer arrogant, are tasting bitter defeat. In the European theater the end seems very near, as the German Rhineland is rocked to its foundations by aerial and artillery bombardments that surpass anything in the history of modern warfare, and as Allied troops swarm into the Reich through holes punched in Nazi lines.

Looking back to the dark days and months which followed Pearl Harbor, when our own forces were reeling under crushing blows, we can give thanks that the tide of battle has turned. But we certainly can't afford to exult and carelessly conclude that it is all over but the shouting. Actually, the toll of human agony which lies ahead—the fearful price we must pay before victory is won—may be worse than anything we have known before.

The most deadly battles, in all likelihood, still lie ahead. Our lengthening casualty rolls since D-Day have brought bitter tragedy into many thousands of American homes. And before we have dictated the peace terms in Berlin and Tokio, tens of thousands of other fine young men will have paid a fearful penalty that we may live to see V-Day. Here at home, the headlines are reassuring; the news is heartening. Out there on the European battlefronts, the boys who are doing the fighting know it is nearly all over, too—all over, but the dying. Before we let down in our efforts, or celebrate prematurely, let us take sober stock of our still unpaid accounting in terms of human lives and human bloodshed.

SAFEWAY TO SPONSOR RADIO PROGRAM

Originating directly from the stage of the Opera House in San Francisco, fourteen operas, presented by the San Francisco Opera company, will be broadcast over the Don Lee-Mutual system to listening audiences in Washington, Oregon, Idaho and California. The first of these, "Aida," will be heard on the air, Friday evening, September 29, at 10 p.m.

This special treat for lovers of fine music is being sponsored by the Safeway Stores as a community service and will be featured on practically all stations of the Don Lee-Mutual chain in the aforementioned states. The operas will be heard from 10 o'clock until their conclusion each night except on Sundays when the broadcasting will begin at 4 p. m. The concluding performance will be "Tales of Hoffmann," Saturday evening, October 28.

This unprecedented program will embrace established standard works, the repertoire listing only three unfamiliar operas — "Falstaff", "Salome", and "Tales of Hoffman". Included in the cast are the cream of world-famous singers, such as:

Lily Pons, Licia Albanese, Stella Roman, Rise Stevens, Thelma Votipka and Hertha Glaz in the female roles. Tenors, baritones, and basses include: Alessio de Paolis, John Garris, Frederick Jagel, Raoul Jobin, Charles Kullman, Jan Peerce, George Cehanovsky, Ivan Petroff, Francesco Valentino, Leonard Warren, Lorenzo Alvary, Salvatore Baccaloni, Ezio Pinza and Roberto Silva.

So that music lovers may follow the plot, a forty-page broadcasting program has been prepared containing a synopsis of the story of each opera to be put on the air. In addition it will carry pictures of the stars, dates for the broadcasting of each performance and other interesting data.

These programs may be obtained free by writing to the radio stations handling the program or to Post Office Box 3175, San Francisco 19.

S. M. Junior College

San Mateo junior college girls will welcome the new freshman coeds to the college with the semi-annual tea sponsored by the Associated Women Students, this Friday afternoon. A program, refreshments, and general get-together to become acquainted are planned. In the evening the men students at the college will have a smoker for students and faculty men. Former coaches, now officers in the Navy are to be guest speakers, while refreshments and movies of outstanding sports events are planned also.

Enrollment figures at the college are higher than they were last year, and the number of men students has increased. More students are enrolling daily in both the day classes and in the extensive evening program, the last being offered by the college adult center.

During the month of October the Peninsula Forum of the adult center will offer four public programs on the national elections. The speaker, October 2, will be Dr. Malcolm Eiselen of the College of the Pacific who will speak on "The Voter and His Party". The Burlingame and San Mateo Business and Professional Women's clubs are assisting in presenting this series of talks, planned to be of real help to the voting public. Starting time is 7:30 p. m. in the college auditorium.

READING & WRITING

BY Edwin Seaver AND Robin McKown

"Basic History of the United States" by Charles and Mary Beard is one history book that is certain to be a best-seller. The New Home Library has published it in a cheap edition which puts it in the price range of everybody. And the Book-of-the-Month Club is sending its members an enlarged and specially illustrated edition as a book-dividend.

CHARLES A. BEARD

"Basic History of the United States" is the most readable and certainly the most basic one-volume history of our country to date. This is the way Louis M. Hacker, also a historian, sums it up:

"The Beards have told the American story in political, social, economic, intellectual and personal terms. They have woven together a rich tapestry of living and growing through which the American spirit of faith and experimentation constantly shines. One should expect them to describe the making of the Constitution very well; but they are equally good on George Washington, our first great republican. One should expect them to be interested in reform movements; but they are equally understandable and intelligent about our great industrialists. They have many interests and remarkably few prejudices and only one blind spot. They are not prepared to see, as full as some, that we, as a people, can continue to grow secure, strong and rich only as the whole world advances toward political peace and material well-being."

MARY R. BEARD

* * *

From George Biddle's "Artist at War":

"After dark I went into a peasant's hut. There was a fire of chestnut coals burning against the wall. The hut had a clay floor and no chimney or windows. There were twenty refugees from Statigliano in the hut; five or six children, women, and old men. One old man was eighty-seven. He was in his dotage. The women told me he had lived in America and could talk English. They said to the old man: 'Talk to him in English. He is an American.' It took the old man a long while to understand. After a while he said: 'Newcastle, Pennsylvania, Boston, Chicago, Denver City.' I talked to him but he kept on repeating: 'Boston, Chicago, Newcastle, Pennsylvania.' The women said to each other: 'The old man talks good English.'"

Crocker Chapter Will Hold Bazaar

Crocker Chapter No. 382, Order of the Eastern Star, will hold its annual bazaar following a brief 7:30 p. m. business meeting, Monday, October 2. Mrs. Violet Wershing, assisted by 1944 officers, is in charge.

The chapter announces that it will hold a rummage sale at 2108 Sutter street, October 9, 10 and 11.

There will be no meeting, Monday evening, October 16. Instead a whist party will be held at Masonic temple at 8:15 p. m. There will be refreshments and chapter members are urged to bring their friends. Committee includes Mrs. Janet Turner, Mrs. Isabella Malone, Mrs. Victoria Grover, Robert Heeringa, Mrs. Margaret Archer, Mrs. Yolanda Strand, Mrs. Jeanette Fischer, and Mrs. Mary Jacques.

Members are reminded that the grand chapter convenes at San Francisco, October 17, 18, and 19.

Church Helps Drive To Collect Clothes

Our Lady of Perpetual Help church, 60 Wellington avenue, is cooperating with the drive sponsored by the United Nations Relief and Rehabilitation Administration to collect clothing for the needy people in liberated countries. Anyone in Daly City, whether a parish member or not, is invited to help. The collection will end, Saturday, October 7. All donations should be left at the parish house.

Men's, women's and children's clothing in useable condition is wanted. Hats and shoes are not requested at this time.

In the appeal, made by John J. Mitty, archbishop of San Francisco, it was pointed out that millions of men, women, and children in the war-torn areas are desperately in need of sufficient clothing for the coming winter. Without help from this county, these people face untold suffering, sickness, and even death.

The local parish will collect, sort, and pack for shipment donations from Daly City residents.

Crocker Sewing Club Will Meet, October 3

Mrs. Olga Bordson, 614 Templeton avenue, will be hostess to members of the Crocker P. T. A. sewing club, Tuesday, October 3, beginning at noon.

The unit was represented at the Seventeenth district, C. C. P. T., meeting in Burlingame, September 21, by Mrs. Margaret Holzworth, president; Mrs. Eve Hobbs, Mrs. Bordson, Mrs. Dolores Lawry, and Mrs. Julia Jordan.

Dr. O'Neill Launches Campaign For Election

Campaign for the November 7 general election was opened, last week, by Dr. A. E. O'Neill, candidate for Third district supervisor, and high man of the May primary which saw elimination of Evans A. Fletcher and the late George Alvis from the race.

Citizens who had not registered for the approaching election were urged by Dr. O'Neill to do so before the September 28 deadline. He called attention to the fact that the entire county will vote on the office of supervisor.

Dr. O'Neill is making personal contact with voters throughout the county in his campaign. Chairman of the Redwood City selective service board's reemployment committee and himself an overseas veteran of the last war, he pledges particular attention to the needs of veterans returning from the present conflict.

Dr. O'Neill promises to devote himself to solution of the unique problems of a rapidly-growing county which will be emphasized in the postwar period. "None will be closer to these problems than the county's legislative body, which will assume greater importance than ever," he said. He has lived in Redwood City two decades and is a member and past chairman of the county health and welfare board.

Police Training

(Continued from Page 1)

"Photography in Investigation." The Federal Bureau of Investigation is participating in the program, furnishing lecturers and instructors.

"Police training is essential," Van Pelt remarked. "It is not enough that the best officer should know how to make an arrest, fill in a routine report, observe conditions on his beat, guard against disturbances, and generally keep the peace. He should be able to conduct effective interviews in criminal cases and should have a broad background of the law of evidence so that he may recognize, collect, identify and preserve physical evidence which to the untrained may seem unimportant. The peace officer must be versed in practical psychology so that he can recognize the symptoms of delinquency and crime in the individual. He must be able to make instant decisions in cases involving the law, his personal safety and that of the citizens, the protection of property, as well as the rights of the accused.

"To achieve a high degree of efficiency in carrying out the duties imposed upon him by law and his desire to serve," Van Pelt continued, "the police officer must continuously study new methods and examine old principles in the law enforcement profession."

Daly City Baby Festival Has 275 Entries

With 275 babies entered in the Daly City Baby Festival, sponsored by the Knights of Khorassan, speculation, this week, ran high as to which lucky tots would be "Supreme King and Queen" at the coronation ceremonies in the auditorium of Jefferson Union high school, Wednesday evening, October 4, at 7:30 p. m.

The sponsors of the festival have opened offices at 6283 Mission street. They announce that health examinations will be held the latter part of this week and that a few days later the Baby Beauty Show will be held. Parents will be notified by mail when and where the show will be held.

Entrants passing their health examinations with 90 per cent or better will receive gold seal diplomas, the sponsors said, while beauty winners will receive trophies and medal ribbons.

There will be a baby king and queen for each of the six age classifications in addition to the top winners.

VOTE NO! on proposition No. 12

Governor Earl Warren, the State Chamber of Commerce, civic leaders and a score of employer, employee, civic, veteran and church groups have come forward to oppose No. 12 on the ballot in the election, November 7th. These leaders look upon No. 12 as a threat to industrial peace in California and as a dangerous attack on our united efforts to win the war.

If written into the constitution, this committee is convinced that this proposal entitled "The Right of Employment" would prove a powder keg. It would bring chaos, confusion, and industrial warfare. It would destroy peace on the home front.

Ostensibly designed to crush trade unions, No. 12 goes far afield. It threatens the present good will existing between labor and industry. It comes as an un-American attack on war production. California has plenty of wartime and post war problems. Why start a civil war on the home front?

Council Concurs On Proposition 12

port. A recommendation from the Fire Commissioners that Walter Davis be suspended permanently from Company No. 4 was accepted upon the motion of Councilman Lynch. The commissioners also asked that the chief marshal's car be equipped with siren and red lights so that it could be identified when responding to fire calls. The mayor referred the request to the city attorney F. E. Hoffmann for consideration and report.

L. E. Day, representing the radio station near Daly City, asked if the city could mark the extension of Crocker avenue with a white line as the road, especially upon leaving the section of Crocker avenue near the business district, becomes very hazardous at night. Mayor Gaggero referred the matter to City Engineer R. A. Klassen for study. A letter was read by City Clerk B. C. Ross from the county tax collector stating that he had received a bid of $75 for Lot 26, Block 26 in the Crocker tract. Councilman Lynch made a motion that the clerk be authorized to notify the collector that it was all right with the city to sell the lot provided the back taxes of $39.52 were recovered for the city in full. The motion passed unanimously.

The League of California Municipalities sent in a request that the city be represented at a conference in San Francisco, October 10, to consider state aid for postwar planning. Mayor Gaggero indicated that he would attend. Gasoline consumption and pound reports were read and filed.

Councilman McHugh reported on the meeting of the Peninsula division, September 21. He praised a talk given by Judge Murphy on constitutional government and lauded Mayor Roger Lapham's promise of better transportation for the Peninsula.

There were no resolutions or ordinances. Following the reading of the claims, Councilman McHugh made a motion, which was passed unanimously, that a warrant be drawn on the treasury and the claims be paid. Just before Councilman Dennis moved adjournment, Julius Castelan, spectator at Monday night's meeting, inquired about Daly City's plans to secure state and federal aid for post-war projects. Both Engineer Klassen and City Attorney Hoffmann assured him that everything feasible to do in the matter had been attended to but that even the state appropriations giving cities funds to make surveys for post-war projects were tied up by suit to establish their legality just at this time.

Other city officials present, Monday, were A. J. Bodien, Fred Collins, A. P. Chesney.

To Discuss Consumer Cooperatives At Forum

Consumer cooperatives and how they can help the American people solve their postwar problems will be discussed before the San Francisco Unified School District forum at Commerce Evening high school, Van Ness avenue and Hayes street, Friday evening, September 29.

The speaker will be Dr. J. Murray Luck, professor of biochemistry and nutritionist of Stanford university, an eminent authority on cooperatives.

Commission Grants PG&E Application

Granting an application of Pacific Gas and Electric company for liberalization of line extension rules, the State Railroad Commission has made possible still further electrification of the rural areas of Central and Northern California.

This state for many years has lead all the states of the nation in percentage of farms receiving electric service. The action of the Railroad Commission will enable the utility company to provide service without any increase in the existing low rates to scattered and more remote rural areas which hitherto have not had the advantages of electric service. The amended rules become effective September 23.

After two public hearings held in San Francisco and consideration of briefs, the commission found that the company's proposal is "a part of a comprehensive program of war and postwar planning, to extend electric service to practically all presently unserved rural sections of the service area of the Pacific Gas and Electric company."

The company already has on file plans for 839 extensions involving 1,696 miles of line which will serve 5,452 new customers. Construction of the new lines will require an investment of approximately $4,000,000.

Effect of the improvement in rural areas will be widespread. It is expected to increase the production of food crops during and after the war period, and assist agriculturists in some sections to solve the manpower problem.

The company pointed out that the program will provide work for its returning soldier-employees, and by stimulating greater use of electricity create additional employment in the manufacture of electrical appliances.

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.

Berliner Gives Quarterly Report

Approximately $152,000,000 was paid to Uncle Sam by persons of the First California district during the September or, Third Income Tax Period of 1944, it was revealed today by Collector of Internal Revenue Harold A. Berliner, San Francisco.

Taxpayers required to make a quarterly payment averaged more than $500 as their third quarterly installment Collector Berliner pointed out. Approximately 270,000 statements were mailed to taxpayers, September 1.

Collector Berliner also stated there were fewer delinquencies in this income tax period than ever before, and praised the taxpayers of his district for their promptness in meeting this September or Third quarterly income tax payment.

and things you would not believe. But all that is left behind now, and I am looking forward to the day when I can come back to good old Daly City. I hope all the boys from Daly City come home again."

His introduction to many foreign lands has only made the U. S. A. seem that much better, Lettiere explained. He is the son of Mrs. Mary Conti, 28 Knowles avenue.

One of the many unheralded heroes who played a vital role in flying essential war material to General Claire N. Chennault's "Flying Tigers" in China in 1942 was Major **James H. Hubbard,** one-time resident of Daly City, California, who is now Director of Operations at the Herington Army Air field, Herington, Kansas.

The major entered the Army in 1937 and in 1940 received his wings and a commission as second lieutenant. A few months later he was released from the Army on an inactive status and became employed in the African Division of Pan American Airways inc. When the Japs attacked Pearl Harbor, December 7, 1941, Major Hubbard was in Belem, Brazil. Within 48 hours he was flying to Bathhurst, a British colony on the West Coast of Africa, where he was immediately assigned to fly C-47 transports.

In April of 1942, Major Hubbard was sent to Burma where he piloted one of the 10 planes whose sole purpose was to evacuate refugees into India from Burma. Flying near enemy conquered territory, these ten planes, within 35 days, evacuated over 5,000 wounded British soldiers, women and children to safety.

Then began the vital job of hauling supplies for the "Flying Tigers", and he also made extensive trips through Arabia, Egypt, Palestine, India, Burma, West China, Iraq, and Iran.

In November, 1942, when the United States Army took over all activities in Africa, the Major returned to the United States and entered the Air Corps as a second lieutenant. Promotions were rapid for the widely experienced airman and in October, 1943 he reached the grade of major.

His total flying hours averages well over the 2,000 mark and his experience ranges from handling "Cubs" to four-engined bombers. With his wife and three-year old son, the major resides in Herington, Kansas.

Girl Scout Council Postpones Meeting

(Continued from Page 1)

First meeting of the class was Tuesday, September 26. It will meet every Tuesday and Thursday evenings. The Girl Scout Council meeting was changed to permit all interested leaders and council members to be present at the night school class. As plans now stand the council and the various leaders, committeewomen, and assistants will be well represented in the course.

It was announced that Friday, September 29, is the last day for Girl Scout leaders to enroll for the course of instruction at Mission Community center. These classes will be given every Friday from 10 a. m. to noon.

Other points discussed at the leaders' meeting were the proper way to wear a uniform, special Girl Scout Red Cross pins for any type of war service work, and the fact that each troop must have at least three committee members. It was decided that Brownies would get their Red Cross pins for 12 hours of war service and Girl Scouts, for 15 hours.

Judge Hears Minor Violation Charges

No complaints were heard and no fines for being drunk in a public place or disturbing the peace or driving while drunk were levied at Friday's city court session in the city hall. Judge William J. Sweeney had only minor traffic violation charges to consider.

Keep spare fuses in your home

You may have experienced more frequent fuse "blow-outs" in your home these days. As appliances and cords and plugs get older, loose connections develop that cause short circuits that make fuses blow out.

Take these two precautions and save time and annoyance:

1. Handle plugs and cords carefully. Tighten up loose screws and nuts on appliances.
2. Keep spare fuses on hand. It takes only a few minutes to replace a burned-out fuse.

Before this war, our Service Department took special pride in fast service on fuse replacements. Today problems of increased service demands, manpower limitations and mileage restrictions make it difficult to render this service to you as promptly as we would like to.

However new fuses are easily replaced. You can do it yourself and avoid inconvenience and delay. This self-service on your part will enable our service men to handle more quickly the more serious service calls from you, your neighbor and war industries. *See your dealer for spare fuses.*

GIRL SCOUTS

Troop No. 4 Elects

At their Wednesday, September 20, meeting Girl Scout Troop No. 4 members elected a Court of Honor to serve for the next six months. Their selections were Norma Moore for president, Janet Peterson for treasurer, Joan Vittori for secretary, and Lois Rentsch for scribe.

At least 15 of the troop members will begin horseback riding for their badges in that sport, Saturday, September 30. The girls will ride from the Mar Vista academy. Mrs. Edna VanVliet, leader, and Mrs. Ada Schultheis, assistant leader, will accompany the group.

New Crocker Troop

Girls in the Crocker tract, 10 and 11 years of age, who want to belong to a Girl Scout Troop are invited to attend the initial meetings of the new troop being formed under the leadership of Mrs. Muriel Pabst, with Mrs. Cecelia Hale as assistant leader. Unless enough girls attend the first four consecutive meetings it will not be possible to organize the new troop—so it is a "right now" proposition. Meetings are held every Tuesday, 3:30 p. m. at No. 5 firehouse, Oliver and Bellevue.

Details may be secured by telephoning Mrs. Hale at DElaware 9415, who leaves her position as assistant of Brownie Scouts No. 7 to be assistant for the new troop. Mrs. Marie Pool, leader of Brownie Scouts No. 7, is desirous of securing some interested woman to take over Mrs. Hale's former duties.

Flyup ceremony for Brownie Scouts No. 7 will not be held until Friday, November 3, it has been decided.

Brownies To Flyup

Tomorrow, September 29, at 3:30 p. m. Brownie Pack No. 8 and Girl Scout Troop No. 2 will participate in flyup and investiture ceremonies at the new Scout House, Mission and Theta, beginning at 3:30 p. m.

Brownies to flyup from Pack No. 8 are Beverly Heagney, Barbara Hesselein, Joyce Morgan, Corrine Noble, Dixiene Schultheis, Barbara Schramm, Betty Lou Marsh, Carol Stanley, Shirley Combs. Most of these girls will enter the new Girl Scout troop being formed under the leadership of Mrs. Elsie Hesselein, who leaves her position as assistant leader of Pack No. 8 to take over the older girls. Mrs. Hilda Heagney will continue as leader of Brownie Pack No. 8. Mrs. Hazel Marsh is leader of Girl Scout Troop No. 2.

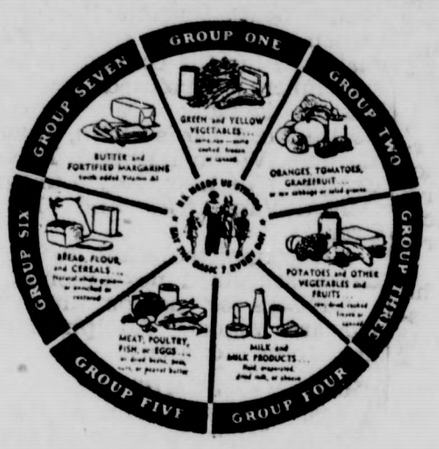
New Scouts to be invested at the ceremonies, tomorrow, include Sue Helen Coomrad, Joan Herbstritt, Beverly Keagle, Louise Johnson, Loretta DeBello, and Viola Proschold.

Brownie Pack No. 8 has postponed its birthday party until October due to busy preparations for the flyup.

The new Girl Scout troop will meet every Friday at 3:30 p. m., according to Mrs. Hesselein.

What Does "Basic 7" Mean To You?

Make This Food Guide Your Kitchen "Pin Up"



Eat Some Food From Each of These Seven Groups Every Day

The "basic 7?" Newspapers, magazines, lecturers, radio speakers use these words. What do they mean to you?

If you know all the answers to this question and apply what you know to your daily food habits, you are using food to keep yourself well and fit and are helping Uncle Sam's food program to win the war.

If you've been busy or careless and don't know what these two simple words mean, you'd best read on. The "basic 7" are important —

Eat Them Every Day

They are seven groups of foods, as pictured in the head of this article. Eat at least one food from each of these groups every day (a generous serving) — and you know that your body is getting a food variety that will furnish much, if not all, of its needs for protective protein, minerals and vitamins. Then to satisfy appetite, you may eat whatever other foods you like.

Lists of these "basic 7" foods may be secured in a leaflet, "National Wartime Nutrition Guide," which will be sent free on request by the United States Department of Agriculture, Washington 25, D. C. A chart of the pictured foods to "pin up" on your kitchen wall, may also be secured from this same source.

Seven Groups of Foods

Group 1 — the green and yellow vegetables — furnish vitamin A, important to eye health. Your victory garden carrots, chard and spinach are fine ideas here.

Group 2 — the citrus fruits (oranges, grapefruit, lemons), together with tomatoes, cabbage and leafy green vegetables — give us vitamin C, important to dental health and general good health. Children, in particular, need vitamin C. Your morning glass of lemon juice and water or breakfast orange juice — both of them available the year around — are good health insurance. Vitamin C is lessened or destroyed by cooking, so fresh, uncooked fruits and vegetables are best sources.

Group 3 — all other fruits and vegetables — also furnish valuable vitamins and minerals. Two or three servings are better than one serving of these foods—for example, potatoes, another vegetable (beets or corn), a fruit (apples, prunes, etc.).

Group 4 — milk, cheese, ice cream — build the body. Serve milk with the morning cereal, in cooked custards, cream soups, white sauce for different foods, sherbets, ice cream. Use more milk and cheese when meats are rationed and hard to get.

Group 5 — eggs, meat, fish, poultry, dried beans and peas, lentils, nuts, peanut butter — also build bodies. Uncle Sam is sending certain meats to our soldiers and is asking that we eat more eggs, fish, poultry, dried beans and peas, and nuts.

Group 6 — whole grain or restored or enriched breads and cereals — are energy foods. They are plentiful foods and it is well to eat more than one daily serving.

Group 7 — butter and margarine, fortified with vitamin A — are also important energy sources.

Did You Eat Them Today?

Now the question is solved and you know what these "basic 7" are, did you eat them today? Make a list of your breakfast, lunch and dinner foods. Find each of the seven, if you can. If you can't — Well, tomorrow's another day. Be sure it sees you eating them.

Honor Mrs. Henzi With Baby Shower

Mrs. W. E. Henzi, the former Miss Marietta Frates, was honored at a baby shower, given by her sister-in-law, Miss Dolores Henzi at 40 Peoria street, Thursday evening, September 21. Mrs. Henzi, whose husband is in the U. S. Navy, received many lovely gifts from the thirty friends and relatives who attended the party.

The hostess served delicious refreshments at the party, which was attended by Mrs. Viola Frates, Mrs. Irene Gill, Mrs. Marjorie Boest, Mrs. William Henzi, Mrs. John Affolter, Mrs. William Affolter, Mrs. Christine Rohner, Mrs. Victoria Bussinger, Mrs. Anita Barca, Mrs. Marian Faber, Mrs. Robert Bailey sr., Mrs. Robert Bailey jr., Mrs. Percy English, Mrs. George Hicks, Mrs. Bernard Kerns, Mrs. Fred Moore, Mrs. John Nagel, Mrs. Frank Farren, Mrs. Fred Foest, Mrs. Harry Henzi jr., Mrs. John Sweeney, Mrs. Joseph Calvert, Mrs. Patrick Powers, Mrs. Fred Byrd, Mrs. Harry Henzi sr., Miss Eleanor Kelly, Miss Eleanor Ruffino, Miss Isabelle Duarte, and Miss Dorothy Henzi.

Court St. Mary Plans Birthday Dinner

Three members of Court St. Mary No. 1155, C. D. A., will serve on an executive board of Catholic Daughters and Knights of Columbus throughout San Mateo county to sponsor a Catholic Youth Organization project for the communities of the Peninsula. The Catholic Youth groups will be organized in the near future.

The three members of the local court on the executive board are Mrs. Helen Rode, grand regent; Mrs. Elizabeth Powers, and Mrs. Marie Kimmel.

The court will hold its regular monthly business meeting, Thursday, October 5, 8 p. m. at Masonic hall. At that time plans for a belated birthday dinner in honor of the court's fourteenth anniversary will be completed. It will be held, Wednesday evening, October 18, at La Fiesta.

Mrs. Catherine Salisbury has been named chairman of refreshments for the social which the court will hold at Masonic hall, Thursday evening, October 19. Mrs. Virginia Rengstorff will be entertainment chairman.

FORESTERS

Vista Grande Circle No. 253, Foresters, will hold a whist party, Tuesday evening, October 3, at Linhares Social hall. The public is invited and the committee is hard at work making sure that it will be a pleasant occasion for those attending.

Playing will begin at 8:30 p. m. The hall is located at 176 Los Banos avenue.

Baby To Wear Historic Dress At Christening

Plans are now being made for the christening of the son born, September 12, at St. Mary's hospital to Mr. and Mrs. James B. Hughes jr., 134 Moltke street. The baby will wear a baptismal dress 88 years old. It was first worn by the baby's grandfather in 1857. The dress was a gift from the Sisters of the French convent in San Francisco, who made it of fine linen and then beautifully embroidered it. Three generations of babies in the family have been baptised in the dress, which is so well preserved that it will be used again in the succeeding fourth generation.

Godparents for the baby will be Mrs. Peter Troiano, San Francisco, and the baby's uncle, Lieutenant Allan Silver, Catalina, for whom the baby is to be named.

Joan and Jimmy Hughes, older children of Mr. and Mrs. Hughes, attend Our Lady of Perpetual Help school. They are delighted to have a new brother.

Pershing To Hear Red Cross Speaker

San Mateo County chapter, American Red Cross, will have a speaker at the Tuesday, October 3, meeting of General Pershing P. T. A. to outline advantages of the home nursing courses now being offered women of the Peninsula. Mrs. Louise Eliasen, president, will call this first unit meeting of the fall term to order at 1:30 p. m. in Pershing school. A word of welcome will be extended to members and guests by R. L. Crane jr., district superintendent of schools.

Mrs. Eliasen has named room mothers for the fall term. They are Mrs. Clara Doherty, Mrs. Emily Guido, Mrs. Mary Costello, Mrs. Marie Smith, Mrs. Marge Prescott, and Mrs. Elizabeth Duckering.

Mrs. Frances Phillips, sewing chairman for Pershing unit, announces that a number of articles have been completed for sale. Arrangements to purchase or to order household linens and aprons from the unit sewing group may be made by telephoning Mrs. Phillips at DElaware 10288.

NEWS FROM JEFFERSON UNION HIGH

By VERNA MORESCO

SPEAKER

Living up to its name and tradition, Jefferson observed Constitution Week with a special assembly Wednesday, September 20.

Henry Clay Hall, former superintendent of the San Bruno Elementary School district and now a special member of the staff of the county superintendent's office, was the speaker. He is considered an authority on the United States Constitution, and spoke on the topic, "The Constitution and American Democracy Today."

Hall is the first of a group of distinguished speakers who will address the students of Jeff during the semester.

ELECTION WEEK

Last week was election week at Jeff. Many of the organizations at their meetings elected officers for the new term.

C. S. F.—At the regular meeting, Wednesday, September 20, Earl Odell was elected as the new California Scholarship Federation president. Verna Moresco was elected as vice-president and Lorraine Sanders, secretary.

J. N. S.—Members of the Jefferson Naturalist Society, last Thursday, elected Ed Boyle as their new president. Lois Rich, now student body secretary, was elected secretary for the club.

The club has scheduled its first field trip, October 1. The members are planning to visit John Harville, past adviser for the club, on that date.

CLASS OFFICERS

Last Thursday special homeroom was called for all classes for the purpose of electing class officers. Students receiving the honors were: freshmen: Lora Barghina, president; Jerry Danford, vice-president; Barbara Anderson, secretary. For the sophomores were: Mary Shackelford, president; Melvin Odam, vice-president; Mary Kimler, secretary.

Junior officers include: Phil Morales, president; Virginia Nestor, vice-president; Louise Ross, secretary. Last, but not least, the seniors: Eugene Somers, president; Jack Palm, vice-president; Verna Moresco, secretary.

BACK INTO CIRCULATION

Jefferson's Photography club is getting back on its feet this term with Ed Boyle as its president and Alice D'Isep as secretary.

The club has started with eight members and hopes to have fifteen before long. The club is for students who are interested in photography whether they have a little Brownie camera or a $100 one.

Howard B. Rote, new photography and crafts instructor, is adviser for the club.

NEW CHAIRMAN

At the last meeting of the executive board Virginia Nestor was chosen to serve as entertainment chairman for the coming term.

Members appointed by Miss Nestor include: Pat Marocco, Louise Ross, Doris Hahn, Roberta Marable, Virginia Bhend, Barbara Gregor, Will Ellis, Roy Lundgren, Donald Van Kirk, and Eugene Grant.

The committee plans to have a dance scheduled next month.

Advisers for the committee are: Howard Miguel, Adolph Hansen, and John McCarthy.

"HOO-DOO JUMP"

Yes, that's the name of the Jeff student dance to be held on October 13. (By the way that date is Friday.)

This is the first dance this term and a big crowd is expected.

Jeff's popular "Indians of Rhythm" will be featured at the dance.

Pupils In Elementary School District Start First Units

AT JEFFERSON

Now that two weeks have elapsed since school reopened the children have accustomed themselves to school routine. Class programs have been arranged for the term and all classes are well started on their first units of study, according to teachers at Jefferson school.

In the eighth grade, pupils will learn about the San Francisco Bay region, and its relation and importance to the State of California. Physical and geographic aspects of this region will be first studied and considerable map work will be done in connection with this part of the unit.

On the bulletin board of the seventh grade are some very fine aviation charts and a colorful world map showing all countries in bright colors. On this map are shown the most important naval bases and airports with clearly marked mileage distances.

The fourth and high third grades had the distinction of winning both the tin and paper drives, last term, and from the material already brought in during the first few days of the present paper drive, it looks as if they will be the winning room again.

The second and third grades have begun their unit called "Health and Safety of the Child" in connection with classroom and school grounds. They will consider such subjects as proper ventilation, proper lighting in the classroom, cleanliness and neatness of school grounds and observing safety rules in play.

AT WOODROW

The boys and girls of Room 12 have been studying maps and are becoming acquainted with the use of a globe.

In Room 8 are several representatives of other states this term. Iowa, Illinois and South Dakota have sent pupils. This year the class will study about the history of their own country.

An interesting film entitled "The Growth of Transportation" was seen by Room 4.

The children in Room 15 have been reading some very interesting material on bird life in California.

The children in Room 14 are planning a community. There are different kinds of stores. There are hospitals, a real estate office, a bank and other places of business.

The class in Room 9 listed all of the contributions which the Egyptians left to civilization. Pupils studied about their pyramids, calendar, alphabet and the way they made paper. This week they will learn of the contributions of the Babylonians.

The boys and girls of the high eighth grade, Room 4, have started their unit of work on "The San Francisco Bay Area." Much material on the subject has been already collected by the pupils.

AT CROCKER

This week the students of Room 3 began work on their social studies unit, "Transportation." Each pupil gave a short talk on some phase of transportation with which he was familiar.

The pupils of Room 2 are starting to work on their new unit, "Textiles." They are beginning with the study of cotton. Some are planning to make simple looms, spinning wheels and cotton gins for their display table.

Alberta Kingsland, Room 6, visited at Santa Cruz over the week-end.

Allan Davis went dove hunting, Saturday.

Mrs. America Meets The War - -

Are you choosy about choices? Feeling Friday frustration? Then beat the buyers' bugaboo by shopping on Tuesdays, Wednesdays and Thursdays instead of waiting for the weekend rush. It's the habit of chickens to scratch and ducks to swim; of women to button their coats to the left; and men to button them to the right. But the habit that has United States food stores baffled is Mrs. America's tenacious habit of marketing on Fridays and Saturdays. Let's take advantage of the middle of the week specials all stores are running now.

Have any blue tokens left? Remember, Mrs. America, there are only two more days to use 'em up. And if you don't have an even ten of the little blue discs, pool yours with your neighbor, and split the purchase!

A number of important home canned foods were crossed off the ration list automatically when their corresponding commercial varieties went off. Now, if you or your club group sell home preserved fruits or jellies or home canned vegetables, you need no longer collect points for them. Points must still be collected on sales of home canned ketchup, chili sauce, and canned fruits and juices. However, the point value of these home canned items is far below that of the commercial product. For instance — a 14 ounce bottle of chili sauce listed at 70 points when commercially packed, takes no points at all for the home canned variety! And a 13 ounce can of peaches is now listed at 30 blue points, but a one quart home canned jar calls for only 10 blue points!

Price-conscious Mrs. America who shops for beef will be interested in knowing these few facts—no beef may be pre-cut for stew at a price higher than ground beef—no fat may be added to any cut or piece of meat other than naturally attached fat—all cuts of boneless rump must have ALL bone removed—all excess fat on the tenderloin muscle must be removed.

Everything That Happens Isn't Pleasant -- Unfortunately

Life as it's recorded on the police blotter at Daly City headquarters, this week, seems a little on the gruesome side when you consider that someone entered the backyard of John Kallmann's home at 162 Parkview avenue, September 23, and stabbed 15 rabbits, killing most of them and leaving three alive but mutilated. Daly City Police Chief William Bolger and Officer Savage investigated the case when Kallmann called at 9 a. m., September 23, to report the incident. As yet the identity of the prowler has not been determined.

Or if the plight of dumb animals doesn't move the reader to pity, there's always the drunk whom Officer Roland Petrocchi, Emil Bertelli, and Archie Banfield found in a vacant lot, September 23, near a county-line tavern, beaten to a pulp, to use a hackneyed term. They rushed him to Alemany Emergency hospital but, due to the fact that his tongue had been severely cut in whatever fracas left him in his unenviable state, he had to be removed to Community hospital where attendants predicted he'd be for at least a week. Noticing that the man had no lower teeth, Petrocchi made a search of the lot and found his set of false teeth.

Three teen-age Daly City boys learned that crime doesn't pay, September 23, 8:50 p. m. when Sergeant Ricco Benedetti and Officer Edward Beecher took them into custody. Leon Herscowitz, grocer at 109 Parkview avenue, had caught the lads stealing butter from his ice box. The boys were sent home to appear, Monday, September 25, to talk the situation over with Chief Bolger.

Officers Roy Beecher and James Welsh were instrumental in nabbing Christopher Columbus McLemore, 62 Eleventh street, Oakland, wanted on a penal code charge by Hayward police, in Daly City, 5:20 a. m., September 23. Local police had been asked to be on the lookout for a man, blond with his left hand off at the wrist, driving a cream-colored Nash coupe. They spotted McLemore at Junipero Serra boulevard and School street, with a 5 gallon can and a hose, evidently preparing to siphon gas out of a truck parked nearby for his own car, which by this time was out of gasoline. He was brought to Daly City police headquarters and booked enroute to Hayward. He was released to R. E. Condon of the Alameda County Sheriff's office.

At 4:30 p. m., Saturday, September 23, William Graves, 8, 116 Miriam street, was hit while crossing San Jose avenue at Shakespeare street. Car which hit the lad was driven by John Burnett Dunlap, Oakland, who rushed the youngster to Alemany Emergency hospital. Officers Henry Sundermann jr. and Savage investigated the accident. The boy was not seriously injured.

Tuesday, September 26 at 8:40 a. m., John J. Donahue, 139 Moltke street, reported that his dark green Buick sedan had been stolen from his garage between 5 p. m. and 8 a. m. Local officers notified San Francisco police and the sheriff's office and the theft was broadcast. Twenty $1 bills and $4.50 in change were reported stolen from 6173 Mission street. Thomas Nevis made the report, September 23, saying that the cash must have been taken during the night of September 22. Officers Roy Beecher and Edward Beecher investigated the theft of two white rabbits, an angora doe and a buck, September 21. The animals belonged to Fred Bricker, 313 Peoria street.

Sergeant Benedetti and Officer Petrocchi responded to a call from Mrs. Esther Terlson, 5995 Mission street, at 12:15 a. m., September 23. Two sailors had broken her front door. The officers overtook the offenders and arranged for them to pay for the damage to the front door glass.

At 1:35 a. m., September 24, Officers Roy Beecher, Welsh, and Edward Beecher brought Sailor Lewis Cornelius Allen to the police office when he refused to leave Signal Coffee shop where he was making a disturbance. He was jailed but was released the next morning to return to Tanforan as he was scheduled to leave that center shortly.

Ray Pacheco Improving After Disastrous Fall

Ray Pacheco, 18-year-old Daly City boy who fell from a ledge while washing windows in the San Francisco financial district, September 18, was reported improving, Tuesday morning of this week, at Hahnemann hospital. He is the son of Mrs. Mark L. Anglin, 138 Evergreen avenue.

In his 3-floor fall, Pacheco hit a San Francisco attorney, injuring him slightly. He himself sustained a fractured skull and internal injuries.

Before transfer to Hahnemann hospital, Pacheco had been at San Francisco and Harbor Emergency hospitals. Upon arrival at the emergency hospital, the day of the accident, his condition had been described as critical.

Obituary

Funeral services were held, Thursday afternoon, September 21, at 1:30 o'clock, for Robert C. Halliday, student at Jefferson Union high school. He passed away, September 18, after a 2-week illness. Inurnment was at Olivet Memorial park.

The youth, only 15 at the time of his death, is survived by his parents, Mr. and Mrs. William E. Halliday, 144 Shakespeare street, and two brothers, William and Charles Halliday.

High School PTA Meets Principal

Principal Stanford Hannah and the faculty of the high school were introduced to members of the Jefferson Union High School P. T. A. and their guests at a meeting and reception held by the unit in the Little theatre, Monday afternoon, September 25. Every P. T. A. in the community was represented at the meeting and there was an unusually large attendance for this important occasion.

Guests of honor were Mrs. Margaret Holzworth, president of Crocker P. T. A.; Mrs. Ruth Rowley, president of Colma P. T. A.; Mrs. Louise Eliasen, president of General Pershing P. T. A.; Mrs. Elsie Hesselein, president of Woodrow Wilson P. T. A.; the new hostess for the high school unit, Mrs. Stanford Hannah; Mrs. Stella Jensen, clerk of the board of trustees and past president of Seventeenth district, California Congress of Parents and Teachers.

Mrs. Ida Hanley, president of the high school unit, presided and introduced Principal Hannah. Mrs. Mary Crane led the salute to the flag and Mrs. Maizie Boyle read the Collect. Mrs. Ralph Low gave a talk urging support of the 1944 San Mateo County War Chest drive.

Home-made cakes and coffee were served in the cafeteria after the meeting.

The high school unit will hold an executive board luncheon at the home of Mrs. Lillie Cavagnaro, 428 Irvington street, Thursday, October 5 at noon. Following the board meeting, a whist party will be held at 2 p. m. at Mrs. Cavagnaro's home. The public is invited to attend.

Co-hostesses at the October 5 luncheon and whist will be Mrs. Marie Gehrig and Mrs. Ruth Morris.

Eagles Take In Five New Members, Sept 21

Five men became members of Colma Vista Grande Aerie No. 1848, F. O. E., at initiation ceremonies held in Little Italy hall, 6229-A Mission street, Thursday evening, September 21. They were Frank E. Rehe, W. G. Gautier, H. D. McCamish, Gene N. Schultz, and Herman Lorenz.

Next initiation will be held, Thursday evening, October 19. It will be in honor of Worthy Secretary and Past President William P. "Bill" Bolger and members are hard at work to insure a large class of candidates for that night.

The aerie plans a Hallowe'en dance and a committee has already been appointed to make arrangements for the event.

Highway Patrol Short On Manpower

Declaring the manpower shortage in the California Highway Patrol is now very acute, Gordon H. Garland, Director of Motor Vehicles, has asked Governor Earl Warren to give serious consideration to plans for immediate replacements.

Within a 2-year period, Garland reported to the Governor's Council, the personnel of traffic officers has been reduced from 907 to 614, a net loss of 293. Losses have been due, he stated, to military leaves and resignations.

"Coincident with the losses in personnel, the duties of the Patrol have increased tremendously due to war conditions," Garland said. "California is the center for scores of military posts and training camps. Thousands of vehicles not subject to registration in California are operating here. More than 11,000 persons entered the State during the first seven months of this year by motor vehicle. Congestion of traffic is extremely heavy in war production centers."

"Thus, while registrations, gasoline consumption and traffic are increasing, the patrol has one-third less men to keep the highways safe than it had two years ago."

Head of California Congress of Parents And Teachers Discusses Pending Legislation With Seventeenth District

Resolutions of the state board of managers on pending legislation were interpreted by Mrs. J. J. Garland of Menlo Park, president of the California Congress of Parents and Teachers, to members at Seventeenth district's first fall meeting, Thursday, September 21, in Burlingame.

"Where child welfare is concerned," she emphasized, "we feel that a principle of human values is involved. Therefore, in the interests of children, school management, and budget, we approve propositions No. 3 and No. 9, and oppose No. 11. These opinions are well considered and will bear thorough study by the voters."

Mrs. Garland paid tribute to Seventeenth district representatives serving with her in the state: Mrs. B. D. Ralston of Woodside, third vice president and director of extension; Mrs. Stella L. Jensen of Colma, hospitality chairman; and Mrs. L. G. Evans of San Mateo, district president and member of the board.

In outlining "The PTA Work Book," Mrs. George Beanston jr. of San Francisco, state chairman of northern field service, stressed leadership. "Qualities necessary in our leaders," she said, "are good health, integrity, efficiency, knowledge, tolerance, and enthusiasm." All phases of PTA organization received her experienced comment, as Mrs. Beanston has worked in unit, district, and state offices.

Introduced by Mrs. L. G. Evans, president, were Pansy Jewett Abbott, county superintendent of schools, who spoke particularly of education for the handicapped child, and of a new text as "A Guide to Air Travel" compiled by Eleanor Freeman Collins, county director of elementary schools curriculum; and Henry Hall, district chairman of juvenile protection and recreation, and county director of child welfare and attendance, who explained a recent inventory of agencies dealing with youth, which was made to assist interested study groups.

Needs of the San Mateo County War Chest were told by Mrs. Ralph Low, in an urgent plea for contributions during the coming campaign.

Announced by Mrs. F. D. Benz, director of health, was the district meeting, October 19. Sessions at the Burlingame high school are planned with a lunch period at Gunst park. Mrs. Robert Taylor, war service chairman, listed tentative schedules for unit cookie donations to the San Mateo County Blood Bank.

NEW BABIES

Mr. and Mrs. William A. Landucci, 6716A Mission street, are the proud parents of a son born, September 14. Congratulations are also in order for **Mr. and Mrs. Leonard A. Graziani,** 3 Cavour street, whose daughter was born, September 11.
